

## Business Development Officer Sunset Lakes Developments

**Sunset Lakes Developments** has been a leader in residential real estate development in south Ottawa since 1990 implementing high standards of quality and community development. We are now engaged in the exciting task of creating a village for Greely, Ottawa's fastest growing village.

We are looking for a highly motivated, dynamic individual to spearhead the development potential of our exciting new commercial/retail site, Greely Village Centre, in Greely, Ontario.

While sales, marketing and commercial development experience would be an asset, it is not essential for this full time position.

### ***What do we want from you?***

- As an individual dedicated to the building of amazing communities, you get things done!
- You are a strong performer who will attract top quality entrepreneurs to bring their knowledge, experience and brand to this unique retail/commercial site.
- You are an achiever engaged in bringing Greely Village Centre to capacity in no time. The residents of Greely will finally have their long awaited village centre!
- Your excellent communication skills allow you to interact with clients, co-workers, investors, retailers, business professionals, city and government staff and construction personnel with ease.
- You are alert, well presented, intelligent, self disciplined and honest.
- You persevere and don't get discouraged.
- You look for creative ways to solve problems.
- You get a sense of achievement from successes.
- You enjoy working on a project that creates enduring benefit for families and businesses in the community and derive a sense of meaning and purpose from your work.
- You treat people fairly and take those extra little steps to keep them happy.
- You respond to achieving individually and as part of a team.
- Best of all . . . your glass is always half full!

It takes exceptional people to build our communities. If you think that you are one of them please contact us today!
